

Inmi Thrust Thumper

Inmi Thrust Thumper

Inmi Thrust Thumper-Vibrators

When you're in the mood for having a must for some thrust, go for the Inmi Thrust Thumper. This sleek and smooth vibrator has a thumping mode that goes in and out bringing in a wave of motions within you. The pull cord allows for a deeper penetration. Use this to amp up your steamy solo sessions or turn things up with a partner by having them take control of the wireless remote. This thumping vibe features a tapered non phallic tip, along with dips and waves. Customize your experience by using the 10 different modes of vibrations as well as the 7 modes of thumping. The silky surface is made up of a waterproof and body safe silicone. It measures with an overall length of 11.3 inches with a width of 1.4 inches, and insertable length of 5.25 inches. In your kit includes a magnetic USB charging cable, however, the remote has an included cell battery. For a smoother ride with your pounding pleasure, use with a water based lubricant.

Limited time offer: \$0
