

Yumi: Kinky Sex Doll

Yumi: Kinky Sex Doll-Japanese Sex Dolls

The lead picture of Yumi on this page says it all. Look up at her face and you see a nerdy, bookworm in glasses - though we agree that *that* can be a turn on as well.

But look below where her plump pussy is peeking out of a pair of crotch-less, cutaway stockings, and you know there's a lot more doing on under the surface. A *whole* lot more.

Truth is, this young Japanese woman is obsessed with fantasy sex. She's a bestselling author of fantasy porn, and in the evenings she does her secret `research' by living out the fantasies she has just written about with anonymous men in Tokyo's Harajuku district.

It's hot, kinky one-off sex that Yumi is after. Her appetite for it is mind-blowing and some nights she will take on multiple men to find the satisfaction she seeks.

This unusual mix of a smart, hungry mind and a slutty, ravenous pussy drives men wild. After all, how often do they come across such a paradox of wisdom and wantonness, packed tight in a hot, Japanese girl body?
